

BOMI RPA[®] BOMI FMA[®]

“Being more knowledgeable about the total operation of both property and facility management has enabled me to be more of an asset to my employer by making better financial recommendations to the building owner.”

-Sandy Veal, RPA[®], FMA[®]

BOMI RPA[®] BOMI FMA[®]

“The BOMI International designations are not only a symbol of your dedication to the profession, but are viewed as a symbol of someone having a higher, more knowledgeable level of expertise in the property/facility management profession.”

-Deborah L. Hejko, RPA[®], FMA[®]

BOMI RPA[®]

“The education I received from BOMI International encompassed key concepts in commercial real estate and has allowed me to speak and advise intelligently on related topics. As a result, my career has advanced as a true real estate professional.”

-Garrett Chang, RPA[®]

BOMI RPA[®]

“The knowledge I have gained as a result of my BOMI International education has propelled me to advance my career path to all new levels. The lessons have helped me understand my career better, as well as be more productive.”

-Daniel J. Gallagher, RPA[®]

BOMI FMA[®]

“The content is top-notch and the course examinations—while quite rigorous—ensure the FMA[®] Designation is well-respected and valued.”

-David Twitchell

BOMI FMA[®]

“The FMA[®] Designation program taught me the core principles of building management and has broadened my functional capabilities. As a result, I have been able to confidently assert myself in more of a leadership role.”

-Samuel F. McFadden, FMA[®]

BOMI SMC

“The training that is offered has made me more proficient and confident in the way I approach my duties.”

-Fatmir Lihari, Hines Management

BOMI SMC

“The education I received from BOMI International taught me a great deal about building automation, energy management, and how systems operate. As a result, my career has improved, and I have helped my company save money.”

-Boris Halstead

BOMI SMT[®]

“Utilizing BOMI education helped me reach my goal of becoming a chief engineer. I have found these courses to be so useful that I recommended my engineers begin the SMT[®] courses and have noticed great improvements.”

-Joe Guillen

BOMI SMA[®]

“The SMA[®] program made me look at my daily job in a more complete way, instead of just looking at the immediate issues I now look over the entire system to evaluate it as a whole.”

-Brett Baldwin, Baldwin Heating & Cooling
